- draft Order limits
- Areas omitted from draft Order limits
- Study Area - 2km
- Toe of Embankment

Listed Buildings

Grade

- I
- II*
- II

Conservation Areas

Spatial data for Conservation Areas not available

Scheduled Monuments

Zone of Theoretical Visibility of proposed reservoir crest

Parks and Gardens

Grade

- I
- II*
- II

ZTVs have been modelled using the 'Viewshed' tool in ESRI ArcGIS Pro GIS Software. A ZTV was prepared using digital surface model (DSM) data with a resolution of 2m. This ZTV represents a realistic scenario as it includes features such as existing buildings or vegetation which can screen or filter views. For all of ZTVs an assumed viewing height of 1.6m above ground level has been used to simulate the average eye level of a person set out in paragraph 6.11 of GLVIA3.
